Climate Action Plan Public Engagement Meeting

Looking to join the conversation about the City's Climate Action Plan?

The City of Walnut is hosting a public engagement meeting to review the proposed GHG reduction measures to be included in the City's Climate Action Plan. The Climate Action Plan (CAP) is long-term range plan that outlines specific strategies to reduce greenhouse gas (GHG) emissions.

For inquires on the Climate Action Plan public engagement meetings or the Climate Action Plan process, contact Joelle Guerra at:
(909) 595-7543 x405 or jguerra@cityofwalnut.org
