SUBJECT: SENIOR CENTER ACTIVITIES FOR DECEMBER/JANUARY 2021

SUMMARY:

The Senior Center staff has prepared a report summarizing the activities at the Walnut Senior Center during the past month.

COVID-19 Protocols Update:

The Los Angeles County Department of Public Health modified their Health Order to mandate indoor masking, regardless of vaccination status. Staff and program participants at the Senior Center and other City facilities are required to follow this mandate.

Following the holiday, Los Angeles County experienced a surge in Covid-19 cases. The Senior Center was impacted by a shortage of staffing. This led to the facility shutting their doors to the public from January 6 through January 30 and canceling all older adult programs including social groups and the Walnut Senior Citizens Club rental. The facility is scheduled to reopen on January 31. Excursions and leisure classes continued as scheduled during the closure. Staff continues to monitor the situation, especially in regards to the spread of COVID variants of concern.

ACTIVITIES SUMMARY:

The following are ongoing social services for older adults in Walnut that occurred last month. Staff continues to provide older adults in the community with pressing social services opportunities.

RECOMMENDATION:

It is recommended that the Senior Citizens Commission receive and file this informational report.
