CITY OF WALNUT

Dear Business Owner,

The City of Walnut has always valued its relationship with the business community and we are pleased to announce some changes to our business licensing that are designed to streamline the process for businesses operating from or within the City.

The City has contracted with the HdL Companies to provide assistance to the business community for all of their business licensing needs. The HdL Business Support Center will provide the business community with support for all aspects of licensing including application, payment, certificate issuance, and general support for your business needs.

The City and HdL are working closely to ensure a seamless transition with little to no impact on our business community. During the upcoming renewal period, the Business Support Center will also offer a variety of online support options allowing for filing and paying a business license online as well as obtaining copies of forms and other relevant information.

The Business Support Center offers extended telephone support hours (Monday through Friday - 8am to 5pm) via their toll free telephone number at (888) 602-0239 or via email at Support@HdLgov.com. To file, renew, or pay for a license balance on-line please visit <https://Walnut.HdLGov.com/>.

We are excited about these new options underscoring our commitment to providing excellent customer service to constituents and the business community.

Thank you for being part of the City of Walnut business community.

Best Regards,

Finance Department
City of Walnut
